

Why ISAG?

➤ Accommodation in Campus

ISAG Hotel-School is ready to welcome you from September to July. ISAG is the only institution in Porto with its own campus accommodation. The Hotel-School has the dual purpose of enabling laboratory classes and providing accommodation for students.

The conditions are the following:

- Accommodation in Single Room;
- Accommodation in Shared Room;
- Private bathroom;
- Change of bed linens and towels once in a week;
- Weekly cleaning of the rooms and daily cleaning of the common spaces;
- Rooms equipped with: LCD TV, Wi-Fi, minibar, reading lamp and AC;
- Common space for preparing meals;
- Security 24/7.

➤ Support

Follow-up and personalized support from the International Relations Office to students from all over the world.

➤ Teachers

Highly qualified professors with extensive business experience.

➤ Fluency of English

We have fully prepared education programs in English directed to our international students. All classes are taught in English and our teachers are highly qualified and prepared to receive students from all over the world.

➤ Location

Porto: 15 minutes away from the city center, 5 minutes from Matosinhos beach and Parque da Cidade - Portugal's largest urban park.

➤ Networking and Partnerships

ISAG has over 500 partnerships with Portuguese, European and International Companies.

➤ Applied Research

NIDISAG is a non-profit scientific research unit of ISAG - European Business School, formally established in 2008. It is dedicated to the promotion, realization and production of scientific knowledge in the fields of Business Sciences, Hotel Management and Business. Tourism.

One of NIDISAG's main focuses is the development of different studies in different sectors and the practice of consulting in companies / projects. ISAG is a private higher education institution truly committed to the business market.

NIDISAG is the owner of EJABM - European Journal of Applied Business and Management and organizes every year the International Conference of Applied Business and Management and the Hotel and Tourism Management Workshop.

In the field of applied research, NIDISAG has been developing research work at events such as:

- Wine Essence
 - Serralves Party
 - NOS Primavera Sound
